Schedule:

Monday-Friday 10:00 am- 6:00 pm

This 80 hours class combines a very thorough classroom instruction with very intense "real life" practical undercover scenarios covering 4 days. Each student will complete approximately 30 of the 34 practical scenarios provided. The training:

- Gives the students exposure to the primary narcotics sold, manufactured and distributed in the Northwest.
- The students will also experience "hands on" Undercover Defensive Tactics.

Upon successful completion, applicants will be able to:

- Demonstrate effective recruitment and utilization of informants.
- Identify safety considerations and unique problems associated with undercover work.
- Determine psychological challenges of undercover work and contact appropriate resources for counseling.
- Identify difficult undercover scenarios and demonstrate methods to get out of them.
- Understand prosecutorial guidelines, regulations and entrapment issues.
- Practice undercover operations risk management principles.
- Understand and practice key issues in the supervision of undercover personnel.
- Demonstrate techniques for infiltration of certain criminal organizations.
- Identify and demonstrate briefing and debriefing techniques.
- Explain unique issues associated with women in undercover work.
